*Bench sentencing

“Death Row / Sent.” Explained:

This column of the index contains several codes:

- NL – Natural life sentence.
- 25/35-life – sentence of life with the possibility of “release.”
- 2.5 years – J. Martinson received a new trial and was subsequently acquitted of capital murder.
- Yes – sentenced to death and currently on death row.
- No – sentenced to death but not on death row (reason provided in parenthetical).

Reasons include:

- ASC – Sentence vacated by the Arizona Supreme Court and not re-sentenced to death.
- PCR – Sentence vacated in post-conviction proceedings and not re-sentenced to death.
- Roper – defendant ineligible for death because juvenile.
- Atkins – defendant ineligible for death because intellectually disable.
- Died – died on death row (natural, suicide, or homicide).
- Ex – Executed.
